FLO, the “Leading” Canadian supplier of **SKF / LINCOLN / GRACO** Auto Lube Systems and **AFEX** Mobile Heavy Equipment Fire Suppression Systems, has an immediate opening for the following position.

AutoCAD Technician

Your minimum of 2-4 years of experience as a mechanical drafter / machine designer in a fast-paced customer service orientated environment such as custom machine or hydraulic system fabrication has made you a proactive and effective problem solver.

Position is a full-time 37.5 hours permanent position based in Mississauga.

You have a technical post-secondary education. You are proficient with 2D and 3D versions of AutoCAD. You understand service manuals and CAD drawings. Some previous experience in doing drawings of fluid power technology, pumps, bearing mechanics or fire suppression components used in heavy equipment and industrial manufacturing machinery is essential.

Compensation based upon experience. Hours are from 8 a/m to 4:30 p/m with an hour for lunch. Training on Company Solutions and products will be provided.

We offer a competitive salary, benefits and a company incentive program.

START DATE: JANUARY 2024
